Located in the South Island of New Zealand on the beautiful Kaikoura coast this exciting and spectacular coastal property offers great spot and stalk fair chase hunting among wooded undulating hills.

A wide variety of game roam this privately owned and managed 4,200 acres including Red Stag, South Pacific Goats and Wild Boar plus small game such as Hares, Rabbits and Possums. The property has a variety of terrain but with an extensive road system makes it suitable for hunters of moderate to average fitness level.

The accommodation is a well appointed cabin with hot showers and flush toilets and is suitable for groups up to 4 hunters with 2 other cabins situated within the hunting area. This property has a large area of forest surrounding its northern boundary that serves as a huge

breeding ground from which good deer numbers filter out onto the open ground in the hunting area.

Stags of up to 14 points can be expected as a management program to enhance the quality of the Red Deer herd has been underway for a number of years. This is a pleasant and exciting place to hunt where good numbers of quality animals can be encountered.

Your experienced Kiwi guides will ensure you have a great time and all of your needs are met during your stay in camp.

The package that we have put together is designed to be all-inclusive omitting only gratuities, Taxidermy /shipping and the \$25.00 NZD New Zealand firearms permit application fees.

To book your hunt dates for 2009, a non refundable deposit of just \$400.00 per person will secure your hunt dates.
